BONUS

Klaire shares her professional business tips on how to succeed and stand out in the brow industry. You'll be learning about all of Klaire's tips and tricks for starting a new business, how to create a brand, how to gain active followers, how to turn followers into clients, how to market yourself and your services.

*All students will also have the opportunity to return back to the salon to watch Klaire work and have access to the BBK Academy facebook group . This gives students the opportunity to ask any additional questions and focus on their areas of weakness both online and in the salon. You'll have the opportunity to network with our previous and future students, share your questions, findings, and concerns.

*To return to work with Klaire for further 1:1 training (for free), this opportunity is subject to availability and limited to an additional 1 visits. Students will also have a lifetime of ongoing support for any advice and help required. Klaire becomes a mentor for all students by creating mentorship between herself and all of her students.

WHY SHOULD YOU TRAIN WITH SALON BBK?

This course largely focuses on a 1:1 – 3:1 basis. We personalise the learning experience to YOU based on your individual learning needs. Our courses are made to be customised for each learning experience, as no two individuals will learn in the same manner/pace. Hence why we run our courses mostly 1:1 – 3:1 at the most. Our courses also differ from other brow academy's as we do not stop the learning experience after you leave our doors. You are welcome to return to train up to three times, 1:1 with Klaire, for free. You will also have a lifetime of ongoing support and mentorship.
