Why should you train with BBK?

This course largely focuses on a 1:1 - 3:1 basis. We personalise the learning experience to YOU based on your individual learning needs. Our courses are made to be customised for each learning experience, as no two individuals will learn in the same manner/pace. Hence why we run our courses mostly 1:1 - 3:1 at the most. Our courses also differ from other brow academy's as we do not stop the learning experience after you leave our doors.

You are welcome to return to train up to three times, 1:1 with Klaire, for free. You will also have a lifetime of ongoing support and mentorship.

Thank you for your inquiry with BBK Education. We are so excited to have you on board and watch you grow!
